This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

3003	To repeal the acts incorporating the Washington and Georgetown and Metropolitan Railroad Companies; to sell at public auction the routes of said companies, and to grant new charters for corporations to operate said routes; and thereby, and otherwise, to secure revenue to the District of Columbia from its street railroads.	422					
3004	To accept and ratify the agreement submitted by the Shoshones, Bannocks, and Sheepeaters of the Fort Hall and Lemhi Reservations in Idaho, May 14, 1880, and for other purposes.	422	2215				
3005	To amend an act entitled "An act to aid in the construction of a railroad and telegraph line from the Missouri River to the Pacific Ocean, and to secure to the Government the use of the same for postal, military, and other purposes," approved July 1, 1862; also to amend an act approved July 2, 1864, and also an act approved May 7, 1878, both in amendment of said first-mentioned act; and to provide for a settlement of claims growing out of the issue of bonds to aid in the construction of certain of said railroads, and to secure to the United States the payment of all indebtedness of certain of the companies therein mentioned.	422	(*)				
3006	To purchase Fort Meigs and a portion of the battle-field of the Fallen Timbers, and mark the graves of the officers and men who fell on those fields.	422					
3007	To amend an act entitled "An act to amend section 1661 of the Revised Statutes, making an annual appropriation to provide arms and equipments for the militia."	422	2372				
3008	Concerning the Pay Department of the Army....	422	(†)				
3009	To provide certain arms, ammunition, and equipage to the State of Oregon for the militia thereof.	422	1212.....	2839			
3010	To pension the survivors of the Oregon Indian wars of 1847 and 1855 and 1856.	423					
3011	To establish an additional land district in the State of Oregon, to be known as the Harney land district.	423					
3012	Further defining the class of persons included in the provisions of section 5 of the act of July 17, 1854, amendatory of the Oregon donation law of September 27, 1850, so as to include orphan children of persons dying while en route to the Territory of Oregon.	423					
3013	Authorizing the employment of clerks at all United States land offices whereat the maximum salary and commission of each per annum shall exceed the sum of $2,000.	423					
3014	Authorizing the Secretary of War to order certain repairs and improvements of a temporary character in navigable rivers, in order to preserve and continue the use and uninterrupted navigation thereof, and to draw his warrant or requisition from time to time upon the Secretary of the Treasury for such expenditures.	423					
3015	Providing for the private cash-entry sale of fractions of vacant public lands, in less than forty-acre subdivisions, made fractional by meander-lines along navigable water-courses, public reservations, or by special surveys in locating lands for actual settlers in Oregon and Washton Territory under the provisions of the donation law.	423					
3016	To pay the citizens of Oregon, during Indian wars, for supplies furnished the Oregon volunteers in 1855 and 1856, audited by Philo Callender, war commissioner.	423					

* See H. R. 8184.

† See H. R. 8809.

Bills of the House of Representatives—Continued.

Number.	Title.	Introduced.	Proceedings in Committee of the Whole and in the House.	Passed H. R.	Passed Senate.	Other proceedings.	Approved.
5017	To provide for ascertaining losses sustained by citizens of Oregon, Nevada, California, and Idaho and Washington Territories by reason of Indian depredations in 1853, 1854, 1855, 1856, 1872, and 1878, and for the appointment of three commissioners to take testimony at county-seat or near scene of depredation and ascertain actual value of property lost, carried away, or destroyed at the time and place of spoliation, and to report at once to the Treasury Department for report to Congress for appropriation.	423
